

Librarians Working in Non Traditional Roles

You are invited to join us for our first event of the year to explore librarians working in non traditional roles.

- Meet our guest librarians who will share their career experiences.
- Join into discussion about broadening our roles.
- Enjoy socializing and refreshments at day's end.

Note: This event is open to non THLA members.

Introducing our Guests

Laure Perrier

Outside the library: Alternate roles for health librarians

Laure is Information Specialist, Continuing Education & Professional Development, Faculty of Medicine, University of Toronto Li Ka Shing Knowledge Institute, St. Michael's Hospital. She has developed search strategies for over 50 systematic reviews including several for the Cochrane Collaboration, along with other types of reviews such as realist and scoping reviews. She has 16 published studies in peer-reviewed medical journals and is currently a PhD candidate in the Faculty of Medicine, University of Toronto.

Julie Waddick

Non-traditional Information Work: loving and leaving non-traditional librarianship

Julie is currently Acting Librarian at the Humber River Regional Hospital. She has a Masters in Library and Information Science from Simmons College in Boston, MA. She has worked at Brigham and Women's Hospital and Harvard Medical School as a Library Consultant and most recently has worked in the private sector.
