

TMLG NEWS

TORONTO MEDICAL LIBRARIES GROUP

vol. 1, no. 2, 1981.

From the President

Dear TMLG Members:

It's been a happy fall for our Toronto Medical Libraries Group. The active interest of our members, as indicated by the strong attendance at meetings, makes the efforts of your executive very rewarding. Our thanks for your support. Special thanks to those of you who have been working hard on the Union List.

This News letter is our latest venture and we are hoping that all members will enjoy and benefit from its publication. All comments and suggestions will be gratefully accepted. Submissions for the News should be sent to Sandra Langlands, Science & Medicine Library, University of Toronto.

Rather than review our success in the past, I would like to look ahead to what we hope to accomplish in the future. I am most interested in actively pursuing our status as health professionals and, to that end, I have been attending meetings of the Health Professionals Council of Metropolitan Toronto. Perhaps by working through the Council we will gain more recognition for health sciences library staff.

I look forward to our next general meeting in January and the Xmas party in December, and hope each member will be able to attend. In the meantime, may I wish one and all a very Happy Holiday Season.

Best Wishes for 1982,
Elizabeth Reid, President

From a recent issue of U. of T.'s Varsity (Classifieds)

COME FLY WITH ME. I am a 28-year-old, tall, male family physician who is deeply searching for the right woman. I can offer honesty, empathy and sincerity. I enjoy flying and am working on a private pilot's licence. I also play the drums and organ. I think of myself as a romantic, fun-loving person who enjoys travelling to exotic places, dining on Chateaubriand and Blue Nun and dancing to distant tropical drums. I promise candlelit evenings and warm romantic interludes. You won't regret answering me and I'll answer you. Photos appreciated.
