

TMLG NEWS

FROM THE PRESIDENT

Dear TMLG Members:

The time is going by so quickly--it is now April (although at this writing it doesn't feel like it!) and very soon TMLG will hold its annual dinner meeting. We have an interesting speaker to follow our dinner at the Westbury Hotel. Please read further about the program inside the News and RSVP as soon as possible.

I am sure that all members who attended the McMaster trip had a most enjoyable evening--we had a full bus load plus others who drove directly. Many thanks to Beatrix Robinow, Joanne Marshall and Elizabeth Uleryk for giving us such an interesting talk and tour of the health sciences library facilities.

This issue of the News will be my last chance to write comments as President of our group. I plan to attend the annual conference of the Canadian Health Libraries Association and report about the activities of TMLG (by far the largest CHLA chapter, by the way). The term of the members of the executive ends after the CHLA annual general meeting on June 8th. If you have any "issues" you wish us to deal with now, please contact me. I have had terrific support from TMLG members and executive committee this year; it has made the experience a very good one and one I would not hesitate to recommend to others. I would especially like to thank our Secretary, Sandra Langlands for her hard work in looking after the minutes (we have good records for future reference) and compiling the TMLG News; President-Elect Carol Morrison who so efficiently coordinated all the programming; Treasurer Margaret Robins who kept us continuously up to date on the financial status of our group; and Edna Allen who carried out several important duties as Past-President with great flair.

We now have a Task Force to look into the current and future production of our union list of periodicals. It is skillfully chaired by Susan Murray assisted by seven other volunteer members. I feel our group can continue to work for the benefit of its members and can enjoy an active future.

Sincerely,

Elizabeth A. Reid

NEW TMLG MEMBERS...WELCOME!
